ABOUT AHPCON-2025

Sri Venkateshwaraa College of Paramedical Sciences, Ariyur, Puducherry, is a reputed institution under the aegis of Sri Venkateshwaraa Group of Institutions. With a mission to deliver excellence in health science education, the college nurtures students in various paramedical disciplines through robust academic programs, hands-on training, and a research-oriented environment. AHPCON-2025 is a pioneering international platform for professionals, researchers, educators, and students in allied health sciences to engage, share, and explore global advancements in healthcare delivery and paramedical innovation. Hosted by Sri Venkateshwaraa College of Paramedical Sciences, this conference aims to promote interdisciplinary collaboration, evidence-based practice, and the evolution of healthcare education and technology. The main objectives of the conference is to foster international collaboration and knowledge exchange among allied health professionals, to showcase cutting-edge research, diagnostic innovations, and clinical practices, to empower students and academicians with insights from global health leaders, to bridge the gap between academia and clinical application in paramedical sciences, to promote ethical practice, research, and innovation in allied healthcare.
